Q. What is the connection of Saint Valentine with romance?

A. St. Valentine was a priest in Rome who was martyred in 269. His feast falls on 14 February. In the Middle Ages a legend grew that Valentine, before he was led out to his execution, gave a letter to his jailer for his daughter, who had been kind to him in prison. He signed the letter. 'From your Valentine'. Little could he have suspected what business he was generating for many centuries later.
