## **THE EASTER TRIDUUM**

*Christ redeemed us all and gave perfect glory to God principally through his paschal mystery: dying he destroyed our death and rising he restored our life. Therefore the Easter Triduum of the passion and resurrection of Christ is the culmination of the entire liturgical year. Thus the solemnity of Easter has the same kind of pre-eminence in the liturgical year that Sunday has in the week. The celebration of the paschal mystery is not simply a recalling of past events in history. It is a sacramental celebration that renders present and actualises the saving power of Christ's death and resurrection to the Church.*

## **Trócaire: Working for a Just World**

**Tiya Family Story.** Rebecca and Ikai are the daughters of Pauline, a widow of 2 years. They live in a compound of two huts with their brother Ejikon. Last year because of drought they were left with only four goats. There is very little grass for the goats to eat and so they give little milk which is used for tea for the family. The family depend on food relief and the fruit of the palm tree nearby. Pauline and Rebecca use dry palm leaves to build their houses. Pauline is upset at the way that drought has affected her life.

**Prayer** Lord, I see the image of your pain on the cloth of Veronica. Help me to see your face today in the poor and disadvantaged. As I pity you in the images of the passion I hope that I will always recognize how you suffer today as a result of my neglect of others and the consequences of my selfishness.
