Vision 08 – A Vision for Catholic Education in Ireland

- Catholic schools seek to reflect a distinctive vision of life and a corresponding philosophy of education, based on the Gospel of Jesus Christ.
- Catholic schools aim to help each pupil to develop his or her full potential as a human being.
- Catholic schools propose a sacramental view of reality helping pupils to see God 'in the bits and pieces of everyday life'.

(Extract from Pastoral Letter from the Irish Catholic Bishops' Conference.)
