### **Introducing the New Missal**

#### **Q. What is the Roman Missal?**

**A.** The term 'Missal' is used to refer to the book that contains all the prayers and instructions for the celebration of the Mass. The Missal is first written in Latin and this Latin text is then translated into the particular language of the people. In this way, while the Mass may be celebrated in many languages across the Roman Catholic world, it is the same core Latin text that is being prayed by the Church.

We have been using our current Missal since St. Patrick's Day 1975. It is sometimes referred to as the Missal of Pope Paul VI. Now we have a new edition of that Missal.
